Dear Parents and Students:

It is my privilege to welcome you to Banner Christian School, where Christ is first and education is second to none! While biblically, it is the responsibility of parents to rear their children, Banner desires to partner with parents in the education process. This partnership provides each student with a harmony between the home and school.

Jesus said, “When a student is fully trained, he will be like his teacher” (Luke 6:40). Teachers are the foundation for any good school. They serve as role models for the students. The Lord has blessed Banner with teachers who are gifted, credentialed, experienced, and committed to the academic, emotional, physical, social, and spiritual well-being of each student. I have enjoyed seeing this lived out in my own family as both of my children have attended Banner for the entirety of their school years.

In the following pages of this handbook, you will find the policies and procedures in which Banner operates. It is our desire to have these policies and procedures to maintain a learning environment, which develops the whole child. I thank you in advance for the opportunity to partner with you and for your support as we watch our children grow in the love and admonition of the Lord.

Blessings,

Dr. Thomas Burkett, Head of School

## **Introduction**

Welcome to Banner Christian School! This Handbook contains the policies and guidelines that will guide our partnership. These policies are not intended to be restrictive and legalistic, but rather liberating and enlightening. It is the purpose of Banner Christian School, that by reading, understanding and following the policies of this handbook, we will form a supportive community of faith with a common purpose; to develop and educate the whole student to the glory of God.

## **School History**

The idea for a board-run, non-denominational Christian school in the Richmond Metropolitan Area was conceived in the fall of 2002. This idea stemmed from the need to offer Christian families an alternative to church-run Christian schools. Interviewing Christian educators and parents in the geographic area confirmed the need for such a school, and on November 1, 2002, several families felt the Lord's calling to take a step of faith and make the vision a reality. Thus was born Banner Christian School, Inc., which officially formed on November 18, 2002. Many months of preparation culminated on August 25, 2003, when Banner Christian School opened its doors to 67 wonderful students.

## **Mission Statement**

Banner Christian School is a K-12 program that is consistent with the Word of God. Considering paramount every child's academic, emotional, physical, social and spiritual needs, Banner Christian School is dedicated to developing and educating the whole person to the glory of God.

## **Administrative Discretion**

The intent of this handbook is to give general overall guidelines for students and parents. Sometimes new situations will occur or circumstances may arise that are not specifically covered in this handbook. The administration reserves the right to exercise its discretion in responding to these new situations.

# **Philosophy of Ministry**

## **Statement of Faith**

The general nature and object of Banner Christian School shall be:

To conduct an institution or institutions of learning for the general education of youth in the essentials of culture and its arts and sciences, giving special emphasis to the Christian faith and the ethic revealed in the Holy Scriptures.

To prepare young people academically and spiritually to contribute to society; and

To affirm and teach the divine inspiration of the entire Bible, the creation of man by the direct act of God, the incarnation and virgin birth of our Lord and Savior Jesus Christ, His identification as the Son of God, His vicarious atonement for our sins by the shedding of His blood on the cross, the resurrection of His body from the tomb, His power to save mankind from sin, the new birth through the regeneration by the Holy Spirit, the gift of eternal life by the grace of God, the second coming of our Lord, the resurrection of the living and the dead, and the final judgment of all mankind.

## **Core Values**

The core values of Banner Christian School are identified in four areas: Discipleship, Scholarship, Stewardship, and Fellowship.

### **Discipleship**

Banner Christian School is a discipleship school. Our desire is to serve Christian families by providing them an opportunity to train their children to think biblically and gain a solid foundation in Truth.

- Banner strives to lead each student into a personal, actively growing relationship with the Lord Jesus Christ.
- A biblical philosophy of education is foundational to all policies and procedures.
- Christian administrators and faculty model Christian teaching and leading.
- Banner students will be taught to process information through a biblical world-view.
- Banner offers Christian families the opportunity to nurture and discipline their children for lives of service to God and society.

### **Scholarship**

Banner is an academic institution designed to educate children with excellence. Every teacher at Banner is a professing Christian who holds at least a bachelor's degree and necessary credentials as approved by ACSI.

- The Scripture is revered as the Word of God and is taught as Truth.
- Instructors are committed to the integration of faith and high academic standards in all disciplines.
- The teaching of the Bible as a core subject is essential to the complete academic curriculum.

## **Stewardship**

At Banner, we believe it is important to be good stewards of the resources with which God has blessed us. It is necessary to have a strong development plan that is shared with the community to map our vision for the school.

- The use of time, talent, and resources are to be directed by principles mandated in the Word of God.
- Banner believes that practicing good citizenship is part of modeling Christ-likeness.
- Banner consistently evaluates and assesses for improvement.
- Three and five-year plans are revised periodically to ensure the vitality of Banner for years to come.

## **Fellowship**

Interaction with God's people helps promote unity and purpose within a Christian school.

- Banner is a parent-friendly school, encouraging parents and others to become involved.
- Parents are invited to volunteer at the school in many capacities and are encouraged to join in our daily praise and worship time.
- The school community (the Board of Trustees, administration, faculty, students, and parents) seeks to treat one another, and the larger community, with love, justice, humility, and service.
- The teaching/learning process reflects a Christ-like sensitivity, relevant to a diverse school community.
- Banner business development, marketing, personnel, and governmental relations will remain thoroughly Christian.

## **Admissions**

Banner Christian School is a discipleship school serving evangelical Christian families. Banner therefore reserves the right to refuse admission to students or families who do not adhere to the Banner Christian School Philosophy of Ministry. Because Banner Christian School is an evangelical Christian school, cult practice or membership, non-evangelical practice or membership, and lifestyle are some of the criteria that can be used in determining admission.

- Placement in an AP course is not based on a teacher or parent request, but on the eligibility criteria.
- Students who meet the criteria for AP courses will be invited to enroll.

- The student must submit a *Add/Drop* form with the required signatures to the Guidance office.

### Withdrawal Period

After the add/drop period, a student wishing to make a schedule change must submit a *Withdrawal Request* form with the required signatures to Guidance.

The teacher(s) is responsible for appointing the official chaperones who are needed to assist with supervision of the class and who may ride on the bus or other Banner-provided transportation.

Other parents may attend the field trip, but are required to find their own transportation.

- The lower school teachers arrange for the student to make-up any missed tests, quizzes, or homework.
- **Middle and upper school students are responsible for arranging with the teacher to make up any missed tests, quizzes, or homework.**
- A general rule is that a student will be given two days to make up every one day's absence due to illness, death in the family, or other unforeseen/unplanned event.
- The exception occurs when a student misses only the day of the test, he/she is expected to make up the test on the day he/she returns.
- Students with a pre-approved absence for a family outing or vacation must get assignments prior to leaving.
  - Students are to be prepared to turn in all missed work the first (1st) day they return.
  - Students must submit any major project or report due during their absence **before** leaving.
  - All missed tests should be coordinated with the individual teachers and made up at the discretion of the teacher's schedule.
  - It is the responsibility of the student to go to each teacher to determine make-up times.
  - The general rule of thumb of two days for each absent day **does not** apply to pre-approved absences.

**Unexcused absences result in zeros for all missed work.  
(including tests or major assignments)**

- First, second, and third quarter report cards are to be signed by a parent/legal guardian.
- The signed documents are to be returned within two days.
- Demerits will be given to middle and upper school students for non-compliance.

### **Standardized Testing**

All students in grades K – 11 are required to take the Terra Nova 3 achievement test. The Primary Test of Cognitive Skills, in grades K-1<sup>st</sup> Grade, and the In-View, in grades 2-11, are given in addition to the Terra Nova 3.

Seniors will have the opportunity to go on Banner's senior trip during the testing time.

### **Midterm/Semester Exams**

- Midterm and semester exams are not to be taken early.
  - In extreme circumstances outside the control of the family, with advance notice and administrative approval, exceptions may be made.
  - Due to the added work requirement placed on the faculty, there will be a charge of \$50 for each exam that is taken early.

## **Physical Education**

### **Lower School**

All lower school students are assigned class time in physical education (PE).

- Outside PE will take place at the teacher's discretion when inclement weather exists.
- If a student is physically unable to participate, a signed excuse is to be written by the parent and given to the PE teacher.
  - This excuse must be dated and state the reason the child cannot participate, as well as the length of time the student will be unable to participate in class.
  - If there is a long-term medical condition that prohibits the student's participation in physical activities, the parent must provide a signed excuse from the student's physician.

### **Middle and Upper School**

In the middle and upper school, PE uniforms are required for all students.

- PE uniforms consist of a PE shirt and PE shorts.
- Students desiring to wear sweatpants or sweatshirts may do so, as long as they are Banner issued and purchased through Flynn O'Hara Uniform or the Banner Christian School Athletic Department.
- Outside PE will take place at the teacher's discretion when inclement weather exists.
- If a student is unable to participate due to an injury or illness, a signed excuse is to be written by the parent and given to the PE teacher.
- Non-participation for more than three (3) days will require a note from a physician.
- Upper school students may satisfy their PE requirement by playing a Banner sport.
  - Each sport is worth ½ credit with the exception of basketball and cheerleading, which are worth a full credit due to the length of the season.

## **Problem Resolution**

Problems are usually solved with a simple email or telephone call. The following procedure should be used in handling a problem or concern:

- First, email or call the teacher or person directly involved.
- If the problem is not resolved, email or call the appropriate principal.
- As a final option, if resolution cannot be obtained at the administrative level, parents may submit their grievance in writing to the Board of Trustees. The Board of Trustees has the option to review or return the matter to administration.

Please invoke the Matthew 18 principle; we want to be part of the solution, not part of the problem.

## **Contacting Teachers**

**Teachers should not be contacted at home.**

- Parents are requested to contact the teacher via email or by leaving a message in the teacher's voicemailbox.
  - Teachers email addresses are listed at [www.bannerchristian.org](http://www.bannerchristian.org).
- Please make an appointment if you wish to see a teacher or administrator.
  - It is very difficult to accommodate an unannounced visit.
- A teacher's/administrator's time is limited during the school day, but he/she will attempt to return a phone call or respond to an email within 24 hours.

## **Parent/Teacher Conferences**

Parent orientation and conferences promote a good understanding between students, parents, the faculty and administration of the school.

- Every parent is encouraged to participate in these informative and helpful sessions.
  - conferences are held at the end of the first quarter midterm.
- At this conference, the parent will be advised on the progress of the student.
- Additional parent/teacher conferences may be scheduled as needed.

## **Academic Probation**

**All new students enter on a nine-week probationary period. This permits the student, parent, and school to assess the success of the student's placement at Banner Christian School. This initial probation does not prohibit participation in extracurricular activities.**

- Academic probation is defined as the student receiving below a 2.0 GPA during a nine-week grading period once enrolled at Banner Christian School.
  - A student placed on academic probation, and his parents, will be advised of his status.
- Once a student has been placed on academic probation, a meeting is held between an administrator, parents and student.
  - A Performance Improvement Plan is put in place to outline the academic guidelines that the student is expected to maintain.

- Weekly academic updates by teachers are monitored by the administration.
- Students who remain on academic probation for one full semester will be reviewed by administration, and may be subject to dismissal.

**Eligibility for the following year’s extra-curricular activities will be determined by the grades during the 4<sup>th</sup> quarter of the previous year.**

## **Promotion/Retention**

### **Lower School**

1<sup>st</sup>-5<sup>th</sup> grade students **must pass all major subjects** (math, reading, English, phonics) in order to be promoted to the next grade.

- A student who fails any two subjects for the year will not be promoted.
- Kindergarten students must be reading fluently, at an appropriate level, in order to be promoted to the 1<sup>st</sup> grade.

Banner Christian School reserves the right to make the final decision regarding a student’s promotion, retention or summer school needs.

### **Middle/Upper School**

A student must pass at least five of his/her attempted courses for the year, including math and English, in order to be promoted to the next grade.

- A student failing both math and English must repeat the grade at Banner Christian School or he/she may not return.
- A student failing any three core subjects may not return to Banner Christian School.
- Upper School maths and foreign languages are building block courses, therefore a grade of “C” or above is required to advance to the next level.

### **Upper School Promotion Criteria**

9 <sup>th</sup> to 10 <sup>th</sup> grade	A student must have earned a total of 6 credits prior to the start of the 10 <sup>th</sup> grade year and be on track with other graduation requirements.

11 <sup>th</sup> to 12 <sup>th</sup> grade	A student must have earned a total of 18 credits prior to the start of the 12 <sup>th</sup> grade year and be on track with other graduation requirements.

A “credit” is defined as a completed unit of study of high school level material. Transfer credits must meet this same standard.

## **Summer School**

Students are required to stay on grade level in math and English in the middle/upper school and math and reading in the lower school.

- A student who is not on grade level will be required to pass an accredited summer school program. Summer school placement must be approved by the administration.

**Banner Christian School reserves the right to make the final decision regarding a**

**student's promotion, retention or summer school needs.**

## **Additional Courses Taken Outside of Banner Christian School**

In certain situations, students, while enrolled at Banner, may receive credit for a course via an accredited online or home school program, summer school, or college.

The process includes the following:

- The parent/guardian of the student should make the request for credit to the appropriate principal in writing.
- The request should include the reason for taking the course.
- Acceptable reasons include:
  - The course is not offered at Banner,
  - Scheduling conflicts prohibit the student from taking the course prior to graduation.
- The request should identify the course title, accredited institution, and the start/end date of the course.
- The student should receive written notification of approval from the administration before beginning.
- The parent/guardian should submit an official transcript from the institution at the completion of the course.
- For graduating seniors, the transcript must be submitted at least one week prior to graduation in order to be eligible to receive their diploma.
- Please note for the homeschool option:
  - if the work is not done through an accredited homeschool program, then the parent must provide documentation of unit test scores, special project grades, and a log of instructional hours.
    - In this case, high school credit will be awarded on a pass/fail basis and is subject to final approval from the administration.
  - approval may depend upon independent verification of subject mastery.

**Grades and credits for any course taken outside of Banner will not be included in the calculation of GPA or class rank at Banner.**

## RenWeb

RenWeb is a school management software program available for students and parents. It is a valuable tool if checked regularly.

- There is no extra fee for RenWeb accessibility.
- Teachers update students' grades on a regular basis.
  - This enables parents to know the course average and homework assignments, tests, and quizzes, from which the grades are derived.
- Parents are able to pay for lunches, after-care, and other school fees through RenWeb.
- School forms and other resource documents and information are accessible.
- Activation codes and information on setting up a parent account may be obtained by calling the main office.

## Traffic Patterns on Campus

Safety for our students and consideration of other drivers is the basis for our policy related to driving and parking on the Banner Christian School campus. These simple rules help keep everyone safe:

- Drive slowly (under 10 MPH) on campus, following appropriate traffic patterns.
  - A traffic pattern map is available on Renweb.
- Park in a designated parking space. Please do not park in visitor's parking places in front of the office during drop-off and pick-up times.
- Never leave a parked car running or children/pets unattended in a car.

## Student-Driven Vehicles

Each student who parks a vehicle on school property must sign a *Consent to Search and Waiver of Liability* form acknowledging and agreeing to the conditions as a prerequisite to, and in consideration for, the issuance of a student parking space.

The content of this form is the following:

1. Any student driving a vehicle onto school property and parking it there consents for such vehicle to be searched by school authorities in order to protect the health, safety and welfare of students.
  - Such searches may include, but not be limited to, the use of drug and/or gunpowder or other specially trained K9 dogs.
2. Each student who parks a vehicle on school property must sign a Consent to Search and Waiver of Liability form acknowledging and agreeing to the conditions as a prerequisite to, and in consideration for, the issuance of a student parking space.
3. Individual student-parked vehicle searches may be conducted if administrators have reasonable suspicion of violation of the law or the *Student Handbook*. Search will be conducted by an administrator, with another school employee present, and may be done with or without the presence of the student.
4. All students driving to school must pay a non-refundable annual parking fee of \$25.00 and obtain a parking permit decal from the school office that must be displayed on the rear window of their vehicle. Replacement decals cost \$3.00.
5. All student drivers are to park in the student designated parking spaces only and may not go back to their cars in the parking lot during school hours.
6. The parking lot speed is 10 mph and pedestrians are present.
  - Students driving in an unsafe manner in the parking lot will not be permitted to drive onto or park their vehicles on school property.

- A student may also be asked to empty the contents of his/her book bag.
- If the student is unwilling to do so, the administrator will contact the parent/guardian and/or the appropriate authorities.
- If the student is still unwilling to do so after having spoken with the parent/guardian, the student is subject to dismissal from the school.

## Authority to Release Students

Only the custodial parent/guardian may determine who is authorized to pick up his/her student from school.

- If a change needs to be made concerning this, the parent must notify the school office in writing.
- Students will be released to non-custodial parents with a court order or with the custodial parent's written permission. In the absence of a court order, the school will assume parents have joint custody.

## Leaving School Early

If a student is required to leave school early, parents are to:

- furnish a **written note** (stating departure time, reason, and who is picking them up)
  - to the classroom teacher in the lower school and
  - to the school office in the middle/upper school
    - preferably 24 hours in advance.
- Parents who come to pick up their student(s) during school hours are to report to the school office and not to the student's classroom.
- A parent or responsible party must sign the student out in the school office.
- **Anyone who is not on the authorized pick-up list in Renweb must have written permission from a parent to pick up a student.**

Any student absent from school, including a student serving a suspension, is not allowed to participate in a representative capacity in any after-school activity **that day** unless the absence was for a doctor’s appointment for an emergency that is documented by a doctor or parent, and approved by the principal. **This includes athletic events.**

## **Discipline Policy for Dress Code**

- Lower School violations of the dress code may result in one ticket per offense.
- Middle/Upper School violations will result in one demerit per offense

## **Discipline Policies**

- The Bible clearly indicates that parents are responsible for the discipline (that is, training or instruction) of their children. Banner Christian School exists to assist parents in their God-ordained responsibilities. Therefore, Banner seeks not to assume the task which God gives to parents, but only to serve as the parents' appointed and authorized representatives in each child's training, in a limited way.
- In formulating a philosophy of education and discipline, Banner has attempted to align itself as closely as possible with the Bible's instructions to parents so as to

- provide the utmost consistency for the child between training at home and training received at Banner. In that same spirit, Banner likewise assumes parents will direct and discipline their children accordingly.
- If parents have chosen to follow a different course in directing and disciplining their children, then parents and students should realize that Banner Christian School may not be the choice in education that suits their needs.
  - Discipline may be correctly viewed as both a process and a product. God expects parents or other authorities to discipline children so as to produce a child who consistently becomes a more self-disciplined adult, requiring less supervision as he matures. He, then as a self-disciplined adult, assumes the role of training the next generation.
  - God's ultimate purpose in charging parents with this task is to prepare children to enter into and mature within His spiritual family, and to respond to Him with respect and obedience on the basis of their former training by their parents.
  - Banner's philosophy of education and discipline exists to serve and further this ultimate spiritual goal. God-given responsibilities in the disciple process exist not only for parents and teachers; they exist likewise for students.
  - Students are to respond to Banner faculty and staff members with appropriate respect and courtesy. Any failure to maintain a biblical attitude of respect and obedience toward Banner authority, which manifests itself in improper behavior or violated standards, **BOTH ON AND OFF CAMPUS**, will result in disciplinary action appropriate for the violation.
  - Banner Christian School expects that parents will support the administration in such disciplinary action by encouraging obedience and respectfulness.
  - Only while operating within the above philosophy of discipline can the educational process reach its maximum potential.
  - Banner Christian School is committed to the philosophy and principles of Christian education. Student conduct against Banner philosophy will not be tolerated.
  - The guidelines listed in this handbook are based on Christian principles, appropriate standards of conduct, and common sense.
  - Guidelines provide boundaries for security and freedom. We trust that our students will respond with positive attitudes and conduct.

### **Lower School**

We desire to partner with our Banner parents as we guide each child toward positive growth in all areas. Teachers at Banner disciple their students throughout the day, encouraging them to make choices that are pleasing to God. In the lower school, we have developed a program that rewards positive behavior and corrects negative behavior. Our goal is to shepherd the child's heart.

Each teacher will have basic classroom rules and a reward system to be implemented on a daily basis, using a variety of methods as incentives for good behavior. Every Friday, those students who have fewer than 2 tickets for the week will be rewarded with "Fun Friday;" a special activity time. Special recognition and reward will also be given in May to those students who have received 0 (zero) tickets throughout the school year.

Disciplinary measures are used to stop misbehavior so that the school can be a safe and effective learning environment. Our lower school warning and ticket system is designed so

that consistent standards of discipline will be maintained. Teachers track student behavior throughout the day and give warnings for any of the infractions listed below.

### **K5 and 1st Grade**

--	--	--

***At the beginning of second semester, 5th grade will change to the MS/US demerit system.***

When warranted, a ticket is given to help communicate with parents more specifically about the misbehavior. Parents are asked to review and sign the ticket. The student must return the pink signed copy to his or her teacher on the following day. Tickets that are not returned can result in the issuance of an additional ticket. Tickets are filed and become a source of documentation of student behavior, however, each new day is a fresh start with no carry-over warnings.

Tickets will also be given to any student who has excessive tardies to school (please refer to the Tardy to School/lower school policy).

*\*It is possible for a student to receive multiple TICKETS in a day. If a student receives 2 tickets in one day, parents will be asked to immediately pick up their child from school. The principal reserves the right to require parents to pick up their child within an hour of being called due to an extreme behavioral situation.*

13 <sup>th</sup> TICKET	Full Day Out-of-School Suspension
